Don:

As I mentioned at our monthly meeting the other day we are still working on the Office of Personnel (EAA) to act as the concessionaire or independent contractor with respect to paid parking. Hopefully, they will assume this responsibility since it could be a money maker for them and cost them nothing in terms of budgetary dollars and positions since these would be reimbursable from fees collected. However, our need to proceed with the computer programming and other facility planning is not dependent on this decision. With your approval of our request to ODP, we will proceed according to our recommended action.
